   b. Your jeans are some shade of blue, clean, and free of holes
3. Regardless of your at-home-habits, you MUST:
   a. Shower or bathe daily.
   b. Bring and use deodorant and toothpaste.

MONEY & PERMISSION
1. The total cost for the trip includes money for some meals, but there are a few you have to purchase. You will need to bring extra money for these meals.
2. You should have already turned in your final payment for the trip. If you have not, it is due immediately.
3. Please turn in the following forms: Field Trip Prearranged Absence, Field Trip Luggage Search, Expectation Acknowledgment Form, Medical Authorization (only if medication is needed)
4. Your forms are due by Monday, April 9th
5. Remind 101 Text Messages:

To receive the texts, have your student text @edison2dis to 81010 OR go online yourself to enter your student’s cell phone number:
https://www.remind.com/join/edison2dis

LUGGAGE GUIDELINES
1. Pack lightly. Your wardrobe has already been largely determined for you. Don’t bring extra clothes you won’t need!
2. Be able to individually carry everything you bring in ONE trip from the car to bus or bus to hotel.
3. You must attach a luggage tag to your ONE suitcase that will ride under the bus. You may also bring ONE carry-on bag that can accompany you at your seat or in the overhead bin.
4. A small pillow and blanket will also be allowed if you can carry them in the aforementioned ONE trip you’ll make to or from the bus.
BUS TRAVEL

1. Never leave the bus until you know what time you are expected to be back on it.

2. If you bring a listening/viewing device you must use headphones.

3. No music will be played over the bus speaker system. Do not ask the driver to turn any on.

4. If you bring a musical instrument, it must remain in its case on the bus — no live performances. If you plan to bring an instrument larger than a kazoo, first ask Mrs. Cooper if there will be room for it on the bus.

5. The buses have DVD players that can play commercially recorded videos. You may submit G and PG rated DVDs.

6. After Magic Kingdom we'll ride home overnight. We can watch a maximum of 2 movies before “Quiet Time” begins. After the first movie, we will take a vote on whether a second movie should be turned on. If we do watch a second movie, quite time begins when the movie ends. If we do not watch a second movie, quiet time begins at 12:30 am. Quiet time ends at breakfast.

7. During Study Time and Quiet Time on the bus NO TALKING, WHISPERING, or GENERAL “HUB-BUBBING” will be tolerated.

8. Be aware of what time we plan to depart for each destination, and get to the bus on time.

PRACTICAL JOKES

1. Any *nuisance items that appear and become *annoying will be confiscated for the duration of the trip.

   *The chaperone’s and Ms. Robinson’s definitions of both “nuisance” and “annoying” will apply with no appeal.

HOTEL EXPECTATIONS

1. No boys in girls rooms or girls in boys rooms... EVER!!

2. Each room will have an assigned chaperone. This person can answer your questions, help solve problems, and fill in for your mom/dad if you get sick.

3. You are responsible to know what time curfew is each night. It is generally a good policy to stay on the bus when we arrive at the hotel until you know what time curfew will be. Curfew will be strictly enforced.

4. Once all of your roommates are in the room, and your chaperone has seen each person's face, you will be “taped in” until the morning. Leaving your room in the middle of the night will get you sent home early. Your chaperone will remove your tape in the morning at a mutually agreed-upon time. Do not leave before that time unless you want to go home. If you have an emergency, call your chaperone's room.

5. If any person in your room leaves after curfew for any reason, you are responsible to call your chaperone. If the tape has been broken and a chaperone has not been notified, ALL students in that room will be sent home.

6. No outside calls with the hotel phones (chaperones excluded). Use payphones or cell phones.

7. Do not prop your door open. Keep your key with you. Chaperones are instructed to always shut doors that are propped open, and the front desk will be asked to charge you
for extra keys.
8. At check out time, get everything out of your room and then wait at your hotel room door for your chaperone.
9. Keep rooms clean. Period. At check out, your chaperone will check your room. If it is excessively dirty, you will each be charged a $30 fee for the hotel to clean it.

GENERAL RULES

1. The itinerary is correct. Trust it. If anything changes, you will hear about it from either Ms. Cooper or a chaperone. If you hear it from anyone else, consider it to be a rumor.
2. Everyone attends all activities -- it is not an option to stay behind.
3. **No one** leaves the group for ANY reason whatsoever!!!
4. Always be in groups of at least 3 people.
5. No gum at any performance.
6. School policy prohibiting use of illegal substances for minors including alcoholic beverages, drugs, and tobacco products will be adhered to as if we were at school.
7. All school rules apply. What isn't acceptable at home isn't acceptable on tour. Remember who you are and who you are representing.
8. Go Eagles!

PARENT INFORMATION ABOUT MEDICATION PROCEDURES

1. Medications should be taken at home whenever possible so that the student will not lose valuable classroom time or have a shortened lunch period. Any medication taken in school or SACC must have a parent or guardian-signed authorization; some medications also require physician orders. Medication must be kept in the school health room or other school-approved location during the school day. The parent or guardian must transport medications to and from school, except a high school student may carry an over-the-counter medication to and from the school health room.

2. No medication will be accepted by school or SACC personnel without receipt of completed and appropriate medication forms.

3. A physician may use office stationery or a prescription pad in lieu of completing part II. Include the following information written in lay language with no abbreviations:
   - Name of student
   - Date of birth
   - Reason for medication or diagnosis
   - Name of medication
   - Exact dosage to be taken in school, (e.g. milligrams per tablet, milligrams per ml/cc) as applicable
   - Time to take medication and frequency or exact time interval dosage is to be administered
   - Sequence in which the medications should be taken in cases where more than one medication is prescribed
   - If medication is given on an as-needed basis, specify the exact conditions or symptoms when medication is to be taken and the time at which it may be given again. (“Repeat as necessary” is unacceptable.)
   - Duration of medication order or effective dates
   - Physician's signature
   - Date

4. All prescription medications, including physician's prescription drug samples, must be in their original containers and labeled by a physician or pharmacist. An over-the-counter medication must be in the original container with the name of the medication visible. The parent or guardian must label the original container with the following:
   - Name of student
   - Exact dosage to be taken in school (e.g. milligrams per tablet, milligrams per ml/cc)
   - Frequency or time interval dosage is to be administered

5. The first dose of any new medication must be given at home.

6. The parent or guardian is responsible for submitting a new form to the school and to SACC at the start of the school year and each time there is a change in the dosage or in the time at which medication is to be taken.

7. Medication kept in the school will be stored in a locked area accessible only to authorized personnel.

8. Within one week after expiration of the effective date on the physician order, or on the last day of school, the parent or guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.

9. The student is to come to the school health room, or to a predetermined location, at the prescribed time to receive medication. Parents should develop a plan with the student to ensure that the student goes to the school health room at the appropriate time. Medication can be given no more than one half hour before or after the prescribed time.

10. The Fairfax County Health Department, Fairfax County Public Schools, and Fairfax County School Age Child Care do not assume responsibility for authorized medication taken independently by the student.

11. In no case may any health, school, or SACC staff member administer any medication outside the framework of the procedures outlined here and/or in FCPS regulations.

EDISON HS

I request a prearranged absence for my child on the following date(s)

4/12 & 4/13

☐ Medical  ☐ Family Trip/Vacation  ☐ Religious Observance  ☐ Family Emergency

☐ Other  Choir Trip to Orlando, FL

Please provide details about the reason for the absence:

Note to parent and student:

I understand, based on Fairfax County Public Schools (FCPS) Regulation 2234.7, that absences for "family and/or other vacations, child care situations, missed school bus, non-school-related activity, or other reason unacceptable to the principal or his or her designee", are unexcused. FCPS encourages family trips during scheduled school vacations and strongly discourages such trips during the school year because these absences interrupt the continuity of learning.

Student absences for chronic or long-term illness may require medical documentation.

Please contact the school Public Nurse if your student will need support when he or she returns to school.

Students with a prearranged absence will be responsible for requesting assignments, completing homework, and preparing for scheduled tests.

If the absence is not approved and the student does not attend school, the absence will be unexcused. Teachers are not obligated to provide make-up work or to administer missed tests.

In the case of an approved prearranged absence during final exams, the administrator will determine if the exam is taken early or deferred.

IMPORTANT: According to state law, any student absent from school for 15 consecutive days regardless of reason will be withdrawn from school. Parents will need to reenroll their students on their own.
